

Meaningful Conversation About Living and Dying Well

Brought to you by Essentia Health, St. Luke's and Honoring Choices Duluth Communities

End in Mind

Join us for a unique and powerful event for Duluth residents. It just may change the way you look at your life... and your death.

End in Mind Project is based on a series of remarkable broadcast conversations Minnesota Public Radio's Cathy Wurzer had with University of St. Thomas Dean Bruce Kramer and their book *We Know How This Ends: Living while Dying*. Kramer died in 2015 after living with ALS.

Join Cathy and special guests for an evening of music, storytelling and meaningful conversation about living and dying well.
